

# SPIRIT SURPRISING

Spirit surprising, fresh as the dew  
Hope arising, faith renewed  
Stirring to life now, what you have begun  
To our season of waiting Holy Spirit come!

And fill the earth with glorious new birth  
As the mountains ring, rivers sing glory  
Breathe in us, new life, again.

Spirit surprising, welcome as dawn  
Running fire, brooding storm  
Like the drylands long for the rain  
Holy Spirit, come to us again.

↓ And fill the earth - with your wisdom  
Fill the earth - with a love for peace  
Fill the earth - with the sounds of singing  
Holy Spirit - come and fill the earth!

Renew the faith of those in darkness  
Renew the hope of the young and bruised  
Renew the love in ev'ry single heart, O God!

And fill the earth with wonderment  
Fill the earth with songs of hope  
Fill the earth with dancing joy (dancing joy)  
Holy Spirit, come and fill the earth!
